Katz
VS
Case Mogs. All That Gr
CV06-0574

To the court, honorable Judge Irazary

I am writing to ask for a change of date from October 6/2006 regarding the three^{way} conversation ordered in this case.

I just received this notification last week as I was in another state, Washington State.

My mother will be visiting here in Corvallis Oregon during that period - she will be gone by Oct 21 however.

My Mother is 80 years old not in good health she is aware of this proceeding and it upsets her! - she was, became aware in that the Plaintiff Katz, called her in March at her home in a retirement home in Florida, calling for reasons known to himself.

I only want her gone back to Florida before I take this call and deal with this issue, after that date Oct 21 I have no problem with taking this call.

Sincerely Thank You

Joe Mogs
